

COPENHAGEN DISTILLERY SINGLE MALT WHISKY TASTING NOTES

RAW BATCH NO. 3

58,2% ALC./VOL

The Raw category is defined by local organic barley, virgin cask maturation and our distinct process that truly retains the flavour of the grain. intense dark amber-coloured Single Malt Whisky.

TASTING NOTES

Notes from ripe stone fruit, honey, malted barley and oak. Cane sugar molasses, coconut, vanilla, white pepper, cloves and Hungarian oak cover your palate. The finish is elegant with a pleasant dryness from oak tannins and soft bitterness from green almonds.

GIN CASK

53,2% ALC./VOL

The Story of where we started to where we always wanted to go. 50L Hungarian oak casks, first seasoned with PX Sherry, then seasoned with a mix of two gins (Dry Gin* and Orange Gin). Then moved to finish on 220L Virgin Hungarian Oak Casks, with M+ toast. Matured for 6 years. The colour of this Single Malt Whisky is crimson red with a tint of marigold. Curtains form in dotted lines, with a long drag.

TASTING NOTES

Mellow on the nose with summery floral notes accentuated by chamomile, pomerans and flower honey. Initial taste of dry herbs and spices, pomelo fruit and a soft dry malt. Long-lasting aftertaste with a fruity sweetness and Brazil nuts followed by lightly citrusy tannings and juniper that drags out. Easy-going yet complex whisky, with a late-spring vibe to it. Offers an experience for the novice-, as well as the adept whisky enthusiast.

AQUAVIT CASK

66,6% ALC./VOL

50L Hungarian Oak cask was first used for ageing an Aquavit with caraway, fennel, turmeric and lemon peel. The casks have then been filled with New Make and aged for 5,5 years before being collected in 220L virgin casks for a coherent finish. A dark heather honey-coloured Single Malt Whisky.

TASTING NOTES

Present notes of distilled caraway, fennel, sweet citrus, honey, grain, and oak. Scandinavian caraway flavours, light hints of anise, dried papaya, and green leaves gently merge with vanilla, white pepper, and cloves, creating a lightly viscous, oily, well-balanced single malt. The finish elegantly offers a pleasant dryness from oak tannins, heather honey, cedar tree, and leather.

NEGRONI WHISKY

68,47% ALC./VOL

100L Hungarian oak, seasoned with Negroni of classic specs, using our Gin. Afterwards filled with New Make, bottled at cask strength. Dark caramel colour Single Malt Whisky with thick heavy oils in the curtains, syrup-like movement when swirled around.

TASTING NOTES

Notes of dark molasses sweetness, sharp but pleasant phenols, dark herbs and soft tannins, and slight fresh citrus. Immediate flavours of fresh grain, buckwheat honey, oak tannins and blood orange - which blends into bitter herbs, roots, and wood. Evolves towards spicy phenols, sweet vanilla and stone fruit. An everchanging experience with a complex structure.

* Out of production. Very first dry gin; not the one which is now called Angelica.
